Subject.

The question whether municipal sweepings should be removed at the cost of the municipality, or by contractors whom the work may be formed out, is one of general importance; and I suggest that the opinions of other Dy Commrs may be invited.

We note a cart may be sanctioned after ascertaining the reasons for which the additional cart was employed & the amount payable in respect thereof.

I doubt the possibility of doing the conservancy efficiently under the contract system. It may however be tried for a few months & a report called for at the end of that period.

Deputy Commissioner's Office
Chilaldeoog District
Dated, Chilaldeoog, 13th August 96.

To

The Secretary to the
Government of Mysore
General and Revenue Departments

Sir,

In submitting herewith copy of a resolution No 8 recorded by the Chilaldeoog Town Municipal Board at its Meeting held on the 10th instant regarding the removal of sweepings being let out on contract, I have the honour to solicit that the proposal in question be sanctioned with effect from 1st September 1896.

2. I am personally aware of the fact that the work could not be satisfactorily carried out with the aid of 4 carts at Rs: 18/- each and that the same should either be let out on contract or that the number of carts should be raised from 4 to 5. The former appears financially the better arrangement.

I-

It was resolved by the Board that the same be adopted. On receipt of sanction the excess required for current year, viz: Rs: 30/ will be provided for in the revised Budget of this Municipality which will be submitted to Government on receipt of the intimation of the actual balance remaining at its credit on 1st July 1896.

3. Owing to the 4 carts not being found sufficient to remove the sweepings of the town and to the necessity of keeping the town scrupulously clean, especially in consideration of the present condition of public health in the town an additional cart was employed in anticipation of sanction and will be charged for in the accounts. The sanction of Government is also respectfully solicited for the small extra Cost that was incurred in this Connection.

I have the honor to be
Sir,
Your most obedient servant

Municipal Commissioner.
